

High Force Auger & Wooden Pallet Crusher

RECLAIM YOUR STORAGE SPACE

Designed to compact wooden pallets and euro-pallets in addition to small pieces of timber, the Presto Wooden Pallet Crusher can handle up to 360 pallets per hour!

ROBUST & POWERFUL DESIGN

Producing a payload of over 6.5 tonne in a standard 31m³ bin, this unit takes over 215 pallets, compressing them into a footprint of only 7.3 x 2.6 metres.

SEE IT IN ACTION!
